MEASUREMENT TIPS:
It's best to have you measurements taken professionally. Your dress will fit better and be more comfortable. You may also save time and money on alterations. Dresses are not made to customer's measurements, additional tailoring maybe necessary. Benita's consultants are able to SUGGEST sizes based on the understanding that you have been professionally measured and those measurements are accurate.
THE SIZE CHOSEN IS ULTIMATELY YOUR DECISION.

PLEASE NOTE:
If you are taller than 5'8" you may need extra length or if your measurements suggest a size larger than 18, additional charges apply and vary with each manufacture.
